3.9 Mission Vatsalya (Centrally Sponsored Scheme)

The Ministry of Women & Child Development is the nodal Ministry for ensuring welfare of children. This is envisaged to be accomplished by way of legislation, policy & schematic interventions along with coordination with other Ministries and Organizations. The National Children Policy, (as revised in 2013), and the National Plan of Action for Children, 2016 laid down the policy framework for child welfare and protection. The Indian Parliament has passed several landmark legislations in favor of children like the Juvenile Justice (Care and Protection of Children) Act 2015, the Protection of Children from Sexual Offences Act 2012, the Commissions for Protection of Child Rights Act, 2005, the Prohibition of Child Marriage Act, 2006 and the Right to Education Act 2009. India is also a signatory to important international treaties i.e., the United Nations Convention on Rights of Child and the Hague convention on Adoption of children which mandate systemic development and strengthening of juvenile justice system in the country.

Mission Vatsalya is a roadmap to achieve development and child protection priorities aligned with the Sustainable Development Goals (SDGs). It lays emphasis on child rights, advocacy and awareness along with strengthening of the juvenile justice care and protection system with the motto to 'leave no child behind'. The Juvenile Justice (Care and Protection of Children) Act, 2015 provisions and the Protection of Children from Sexual Offences Act, 2012 form the basic framework for implementation of the Mission. Prior to 2009-10, there were three schemes being implemented under the Ministry of WCD, GOI, namely, i) Programme for Juvenile Justice for Children in need of care and protection,

and Children in conflict with Law; ii) Integrated Programme for street children; and iii) Scheme for assistance to homes for children (Shishu Greh). All the three schemes were incorporated in a single centrally sponsored scheme called the Integrated Child Protection Scheme (ICPS). The ICPS was implemented by the Ministry since 2009-2010. The scheme was then renamed as “Child Protection Services” Scheme in 2017. The CPS Scheme has been now subsumed under Mission Vatsalya from 2021-22 onwards.

- 3.9.1 Vision: To secure a healthy & happy childhood for each and every child in India, ensure opportunities to enable them to discover their full potential and assist them in flourishing in all respects, in a sustained manner. While children in difficult circumstances are to be addressed by the Statutory and Service Delivery Structures, equal emphasis is to be given to issues around child welfare and protection at the community level integrated with the local development plans and corresponding budgets. Thus, it is envisaged that the committees under the institutional framework will complement the Statutory and Service Delivery Structures in terms of advocacy, awareness generation, capacity building, and preventive measures to build a robust child friendly ecosystem in the community. The Mission aims to: i) Support and sustain children in difficult circumstances; ii) Develop context-based solutions for holistic development of children from varied backgrounds; iii) Provide scope for encouraging innovative solutions; iv) Cement Convergent Action.

- 8.5 In 2011, Delhi had a Scheduled Caste (SC) workforce population of 9.01 lakh which was 16.14% of the total workforce population (55.87 lakh). Out of SC population of 28.12 lakhs, 32.06% of the SC population was employed against 31.60% of the total population employment.

9. Scheduled Caste Sub Plan (SCSP) of NCT of Delhi

Scheduled Castes Sub Plan for Scheduled Castes is an important instrument being used for socio-economic development of Scheduled Castes people. In the mid 1970's the Special Component Plan (SCP) and the Tribal Sub Plan (TSP) were initiated. The SCP now called as SCSP is an integral part of the budget for that provision are being made with the clear objectives of bridging the gap in Socio-economic development of SCs.

The concept of Scheduled Castes Sub Plan was envisaged initially by the erstwhile Planning Commission of India (now NITI Aayog) at the time of formulation of sixth five year plan (1980-85) with the objective to ensure adequate benefits under SCSP for socio economic and educational development of Scheduled Castes both in physical and financial terms by providing funds, out of total allocation of the State Plan, at least in proportion to the percentage of SC population in the State. The Commission emphasized that development needs and priorities of SCs, because of their historic deprivation, would require even larger proportion of plan outlays than their population percentage.

As per the earlier guideline the funds proportionate to the SC population of Delhi i.e. 16.75% were required to be earmarked in the demand book and to ensure that these funds flow directly for the welfare of Scheduled Castes.

The present practice being followed by Delhi Government for earmarking and accounting of funds under SCSP barring divisible category which consist of outlay and expenditure under the specific schemes; is based on the assumption of flow of funds and benefits under the remaining schemes and infrastructure projects to SC community in proportion to the SC population and is difficult to be accounted for and explained as targeted intervention for the welfare of SC. Besides, the specific schemes under divisible category also cater to other sections of the city population and in quite a few schemes; the specific data of SC beneficiaries is not being captured.

Meanwhile, there has been further development in terms of removal of distinction of Plan and Non-plan in the budget formulation w.e.f. the financial year 2017-18 and also the revised guidelines from NITI Aayog issued on 20.11.2017 and 14.01.2019 (record of discussion held on 16.11.2018 by NITI Aayog). The same is being examined.
