

## CHAPTER - 13

### **TECHNICAL EDUCATION**

The Government of NCT of Delhi is committed to create quality infrastructure for Higher and Technical Education; educated and skilled youth is the backbone of a vibrant economy. Government has been making systematic planning and developing policies to improve quality of technical/vocational education. There are 03 technical universities, 07 colleges/ Institutes and 09 polytechnics functioning under administrative control of Department of Training & Technical Education. The NSIT is being up-graded to University from academic session 2015-16. In order to promote and encourage Higher and Technical Education as also advanced research the government in 1998 set up Guru Gobind Singh Indraprastha University as affiliating university. The Government has set up three Technical Universities for imparting training in major Engineering Disciplines and Information Technology. The Indira Gandhi Delhi Technical University for Women (IGDTUW) has been set up exclusively as an University for Women for pursuing graduate and post-graduate courses in Information Technology and Robotics besides other conventional disciplines. The Indraprastha Institute of Information Technology has been set up by the Government for promoting cutting edge research in IT besides imparting quality education in the field. The Delhi Technological University (DTU) was set up as a state university to provide graduate and post-graduate program in conventional engineering subjects besides facilities for research. It is proposed to take up major expansions of all these universities to provide World Class Facilities for technical teaching and advance research in fields of electronics and information technology. The Department has initiated the proposal to establish Delhi Skill University to promote skill education at various levels. Accordingly, a new scheme has been created for establishment of Delhi Skill / Vocational University. The Government has also plan to make Delhi a Start-up Hub. A new Scheme for establishment of Incubation Centre in Universities / Institutions under the Govt. of NCT of Delhi has been created.

Delhi has become a knowledge city and an Educational Hub with a wide network of technical and professional institutions. It attracts students from all parts of the country as well as from abroad. Delhi has more than 100 Degree and PG level Professional and Technical Education Institutions affiliated to GGSIP University, Delhi University and other Universities. There are 20 Diploma Level Institutions which includes 12 Govt. / aided Polytechnics Institutions and 8 Private Sector Institutions. The existing 09 Govt. Polytechnics has been upgraded to the Degree Level Institutions to run B.Voc. Programmes from the Academic Session 2015-16. The number of Institutions for certificate level courses in the form of ITIs and ITCs are 76 which includes 17 Govt. I.T.Is and 59 Private Sector Industrial Training Centres. One more Govt. ITI i.e. ITI Mangolpuri is added from the Academic Session 2015-16.

This Sector has a total plan outlay of ₹373 crore in Annual Plan 2015-16. Major allocation in this year includes grant of ₹73.80 crore for Delhi Technological University, ₹50 crore for NSIT, ₹22 crore for Indira Gandhi Delhi Technical University for Women, loan of ₹50 crore for IIIT, ₹30 crore for Delhi Skill/Vocational University

and ₹25 crore for incubation centre. All the Autonomous Institutes have been requested to become self-sufficient in meeting their recurring liabilities out of internal income generation and Govt. would continue to support the capital expenditure for modernization / expansion / development of infrastructure of the Institutes. Major construction projects for building of Academic Block of DPSARU at DIPSAR has been planned and to be completed in FY-2015-16.

New initiatives / plan programmes taken up in 2014-15:

1. Waive off tuition fee for differently abled diploma students was implemented. Training scheme of MHRD for promotion of livelihood skills of differently abled students was implemented.
2. Online submission of applications for conduct of Common Entrance Test (CET) introduced in 2014. For the first time 50,199 students applied online. IT is proposed to introduce common online application and counseling for admission to all the universities of Government.
3. The project initiative on National Mission on Education through ICT (NMEICT) to promote IT literacy through open source software in Polytechnics / Institutions of Delhi as teaching tool taken up.

## **I. DIRECTION & ADMINISTRATION**

### **1. Modernization of DTTE**

Annual Plan Outlay 2015-16 : ₹ 120 lakh

To keep pace with the increasing workload and to efficiently handle the administrative responsibility, Directorate of Training & Technical Education is required to gear up. Various administrative services are required to be delivered smoothly and efficiently through computerization / automation of service delivery mechanisms.

Department is in the process to connect all the Polytechnics under its control through networking. For the purpose of effective monitoring of the functions of various Polytechnics and based on the recommendation of Delhi Knowledge Commission all the libraries of Polytechnics will be digitalized and connected through DELNET. For this purpose all the Polytechnics are required requisite software/hardware for the purpose of digitalization and membership of DELNET will be required. The subscription fee of membership is being revised by DELNET regularly.

At present only 9 Polytechnics are under the control of DTTE. Based on the recommendation of MHRD Govt. of India, under the Scheme of Submission of Polytechnics, Department is in the process to opening of five new Polytechnics in NCT of Delhi in North, North East, West, Central & New Delhi Districts, for the

benefit of the students. A proposal for providing land is under consideration of DDA/Gram Sabha for allotment of land for 5 new Polytechnics.

## **2. Board of Technical Education**

Annual Plan Outlay 2015-16 : ₹300 Lakh

The Board of Technical Education, established in 1961, is conducting diploma level examinations in various Engineering and Non-Engineering courses being run by the government and privately managed affiliated institutions. In addition, the Board is also entrusted with various other activities like revision of curriculums, affiliation of privately managed institutes and monitoring. Full time diploma courses in 31 disciplines and part time diploma courses in 05 disciplines are under the control of BTE. To improve the working of the Board with transparency, it is proposed to modernize the entire examination process. BTE has approached “Delhi-e-Governance Society” to develop independent dynamic website of BTE and latest software which may expedite examination and result preparation process. Revision of Curriculum as per market demand of Industries in the State is another area which needs attention. For maintenance of statistical data, Planning and Statistical Cell is proposed to be set up in BTE.

## **3. Re-organization & Restructuring of existing facilities in Polytechnics**

Annual Plan Outlay 2015-16 : ₹ 1300 Lakh

Based on the blue print of the action plan of the Delhi Government for the implementation of the National Knowledge Commission recommendations, and Skill India Scheme the department aims to strengthen its polytechnics by upgrading them to Degree College with introduction of D. Voc. and B. Voc. program. The Kasturba Polytechnic for Women now Kasturba Institute of Technology and the Ambedkar Polytechnic are proposed to be upgraded to Degree Colleges. Efforts are being made to revitalize polytechnics by upgrading infrastructure, improving training quality, creating posts and developing them into centre of excellence with industry partnerships. A discipline specific polytechnic focusing on health and bio-medical sciences is being developed at Dwarka. The department also aims to provide autonomy to its Polytechnics, (now institute of technology) with introduction of B. Voc. and D. Voc. program from academic session 2015-16. To revitalize and motivate the faculty, AICTE schemes are being implemented from time to time. Productions cum training facilities are proposed to be started to leverage the learning of theory classes with practicals.

Merit Scholarship and Merit-cum-Means Scholarship for meritorious students and students belonging to economically weaker sections of the society studying in the Government institutions under the Department of Training & Technical Education are being implemented since 2007-08 academic session to motivate and nurture the talents.

#### **4. Replacement and modernization of machinery and equipments, continuing education and Centre of Excellence**

Annual Plan Outlay 2015-16 : ₹ 240 Lakh (Capital)

Access to use of sophisticated and advanced control system by students in the technical institution is a must for increasing the technical competence and skill enhancement. The activities undertaken in the scheme are as under:-

- Replacement of the obsolete and outdated machinery and equipment which have out lived its life with the latest type.
- Networking of all institutes
- Providing additional modern/ sophisticated equipment due to advancement in technology/change in syllabus and introduction of new programs i.e. B. Voc. and D. Voc. etc.
- Equipping the laboratories and workshop with support facilities matching with the equipment procured.
- Setting up of communication Skills Labs. Setting up of World Class test houses
- Setting up of labs enabling students to get dual certification. Setting up of Language Labs (English Speaking, writing Skills etc.)
- Networking of institutes through leased line connectivity, for internet access, and other common application usages.
- Development and procurement of e- learning material. Continuing Education Programmes
- Starting of part time diploma courses
- Starting additional courses
- Starting of Short term Courses
- Enabling students to get additional certification. Training for staff from the Industry.

#### **Entrepreneurship Development Programme**

Entrepreneurship Development Programme has been recognized as an effective human resource development tool. This programme is primarily meant for developing the first generation entrepreneurs with the objective:

- To inculcate entrepreneurship values and providing training inputs. To organize entrepreneurship resource camps.
- To introduce curriculum on entrepreneurship development as an elective subject.
- To organize short-term courses by inviting experts from organizations to

provide necessary guidance to students.

- To set up their own industries.
- Arranging industrial visits for students.
- Industries contacting institutes for recruitment.
- Teachers deputed for QIP in industry.
- Inviting people from the field for guest lectures.
- Industrial/ in plant training of students.
- Exchange of staff
- Consultancy provided by institutions
- Industry Institute Interaction

In order to increase the placement avenues for the students of various polytechnics under DTTE, Job fair is organized where various industries are invited. And this event is organized annually so that maximum possible students can get direct employment through job fair.

#### **5. Facilities to students of SC/ST/OBC/Minorities Communities (SCSP)**

Annual Plan Outlay 2015-16: ₹ 13 Lakh

The objective of the ongoing scheme is to give assistance to SC/ST/OBC/Minorities students. SC/ST/OBC/Minority students of various polytechnics pursuing courses in various disciplines by way of providing stationary/text books/scientific calculators etc. free of cost. The quantum of assistance depends upon the strength of total students and availability of allotted budget to the institute.

Under this scheme requisite items are provided on the basis of requirement received from the students of this community without considering the income of the parents.

The objective of the scheme is to motivate the students of this community so that they may not depend on their parents for extra financial burden. Under this scheme polytechnics are also conducting extra classes for the welfare of students of this community.

#### **6. Setting up of new Polytechnics and Renovation/ Addl. Alteration in the Existing Institutional Buildings**

Annual Plan Outlay 2015-16 : ₹ 4500 Lakh (Capital)

The plan funds under this scheme is provided to PWD for construction of buildings for new polytechnics/Institutes and renovation/alteration of the various

polytechnics and residential campus under the Department of Training and Technical Education.

Some of related works are as under:

- Maintenance of all buildings including staff quarters. Air-conditioning of Labs
- National / International standard conference rooms, seminar halls etc. To carry out all building and campus related works.
- Vertical Expansion of existing building
- Construction of new buildings including the procurement of land for new polytechnics.

Land for NIT, Delhi was purchased by the Department of Technical Education involving cost of about ₹ 158.13 crore at Narela during 2013-14. Ministry of HRD, Govt. of India, is constructing the NIT, Delhi campus on this land.

## **7. Expansion of existing facilities in Bhai Parmanand Institutes of Business Studies**

Annual Plan Outlay 2015-16:	₹ 157 Lakh
Revenue	₹ 128 Lakh
Capital	₹ 29 Lakh

The institute had been upgraded as a management institute and started new UG/PG courses of Master in Business Administration (MBA), Bachelor of Business Administration (BBA) and by increasing the intake of students in Master of Computer Applications (MCA) as well.

Institute has purchased latest machinery and equipment. Classrooms are modernized with the LCD Projectors and Visualizes as Teaching Aids. BPIBS has also purchased Interactive Boards and Interactive Panel. These electronic gadgets are meant for adopting effective pedagogical system to the day-to-day teaching-learning process for the students and all the facilities are provided in a phased manner.

BPIBS Library has procured National and International Journals like- Foreign Trade Review, Global Business Review, Harvard Business Review, Indian Journal of Marketing, Journal of Discrete Mathematical Sciences & Cryptography, computer journal and Books. Library is poising for getting a fully digitized Library equipped with E- Granthalaya Software for complete automation of Library with Bar Code Facility.

The physical targets for 2015-16 are as under:

- Setting up of requisite infrastructure for new courses as the curriculum (like tutorial room, digital class room examination cell, academic cell etc.).
- Purchase of latest Machinery and equipment as per the curriculum of courses.

- Setting up of new Laboratories as per the curriculum for new course and existing course respectively.
- Digitization of Class Rooms.
- Up-gradation of existing Computer Labs with latest Software and Peripherals to suit the need of students/courses.
- Develop New Computer Labs with latest Software and Peripherals for MBA and BBA Programme.
- Development of Training & Placement cell.

## **8. Staff Development**

Annual Plan Outlay 2015-16 : ₹ 10 Lakh

Main objective of the staff development activities is to upgrade the expertise, qualifications and capabilities of the faculty members at various levels of technical Institutes/Polytechnics by capacity building as per the AICTE recommendations. Funds are provided for development of capacity building of the members of faculty at degree/diploma level institutes as per recommendation of AICTE.

## **9. Takniki Shiksha Sansthan Kalyan Samiti**

Annual Plan Outlay 2015-16 : ₹ 15 Lakh

The objective of the scheme is to provide representation of local area citizens, parents / Students/staff under the Bhagidari Initiatives of Govt. of Delhi. All polytechnics have constituted committee comprising of local industrialist, Principal, student, senior staff, and other personalities to look after the day to day work of the respective institutes such as:

- Minor Repair work of equipments
- Repair of Building
- Maintenance of Equipment
- Miscellaneous works related to the respective institutes.

An amount of ₹ 2 Lakh is provided to each Institute under this scheme, and power is delegated to the principal concerned after approval of the respective Committee.

## **10. Technical Education Community Outreach Scheme**

Annual Plan Outlay 2015-16 : ₹ 6 Lakh

The aims of the TECOS are:

- To deliver training programme and to develop a low-cost solution to the growth of high quality skills among the impoverished.
- To provide training in those areas, which have a good demand and trained persons may be enabled to get employment or self-employment easily.
- This scheme is an effort for harmonizing the livelihood needs of the impoverished and the production oriented requirements of manufacturers and service provider agencies. The main objective of this scheme is to meet the growing demand of vocational training due to large influx of migrant population in Delhi. Training under this scheme is being imparted through selected NGOs on the pattern of Modular Employable Skills (MES) scheme of DGE&T, Government of India. The MES scheme is flexible in terms of instructional hours, vertical mobility in the sector and the training programmes of short duration.
- Various training programmes in trades like Tailoring, Cutting, Dress Making, Hospitality, Computer Fundamentals, Salesmanship in Retail, Mobile Repairing, Printing etc in slum/JJ clusters/rural areas of Delhi are conducted by 10 to 15 NGOs every year. At present 17 NGOs are running the courses.

## **11. Introduction of New Courses**

Annual Plan Outlay 2015-16 : ₹ 800 lakh

Department is running the course of BBA in office management on the recommendation of AICTE in two Polytechnics and B. Sc., MLT in one of the institute and it may be extended to other institutes who are affiliated through GGSIPU. The Department has approved the B. Voc. and D. Voc. program in existing polytechnic and now up graded to degree level technical institutions.

The expenditure on the following heads are met in this scheme:

- Additional requirement of infrastructure
- Payment to faculty engaged on contract basis, regular and guest faculty.
- Library Books
- Stationary Requirement

## **12. Sharda Ukil School of Arts (SUSA)**

Annual Plan Outlay 2015-16 : ₹ 65 Lakh

This scheme has been transferred from the non-plan. GIA to SUSA is for meeting expenditure on salary etc.

## **13. State Project Facilitation Unit for Technical Education Quality Improvement Programme (TEQIP) - (CSS)**

Annual Plan Outlay 2015-16 : ₹ 40 Lakh - Central Share  
₹ 4 Lakh - State Share

The Ministry of HRD, Govt. of India has approved the proposal of Delhi Technological University (DTU) for participation under the Programme “Technical Education Quality Improvement Programme (TEQIP)-II”. A Memorandum of Understanding has been signed between Ministry of Human Resource Development (MHRD), GOI (First Party) and Training and Technical Education, Govt. of NCT of Delhi (Second Party) on 28-06-2013. As per MoU Govt. of NCT of Delhi is to establish the State Project Facilitation Unit (SPFU) in the Department. The GNCTD will mainly be responsible for implementing and monitoring the project with the assistance of ‘The SPFU’. The funding pattern will be in the ratio of 75:25 between GOI and GNCTD.

#### **14. Community Development through Polytechnics (CDTP) in Delhi (CSS)**

Annual Plan Outlay 2015-16 : ₹ 80 Lakh - Central Share

The objectives of the CDTP Scheme is to provide meaningful and qualitative non-formal training to rural youth, women, school drop-outs, SCs/STs and other weaker sections and under-privileged groups of the society, in consultation with highly qualified faculty/staff of the polytechnics. Facilities for informal skill training of 3-6 months duration exist under the same. The Scheme is completely funded by MHRD, Govt. of India.

The major activities identified under the Scheme of Community Development through Polytechnics: are (i). Need Assessment Surveys; (ii). Skill Development Training Programmes; (iii.) Disseminate and Application of Appropriate Technologies; (iv). Technical and Support Services; and (v). Awareness Programmes.

The training under the scheme is provided at various Training Centers names as Extension Centers. These are run under the supervision of Principal of the various polytechnics. Presently, the scheme is being implemented in the 04 government polytechnics (Kasturba Polytechnic for women, GND Polytechnic, Aryabhatt Polytechnic, Meera Bai Polytechnic) and 01 private polytechnic (CRRIT) in Delhi. As per guidelines, selected polytechnics are eligible for maximum recurring grant of ₹17 lakh per annum. During 2014-15, ₹ 13 lakh was sanctioned under the scheme for Meerabai Polytechnic, GNCTD.

#### **B. Delhi Technological University**

Annual Plan Outlay 2015-16 : ₹7380 Lakh

Delhi College of Engineering was reconstituted as Delhi Technological University vide Delhi Act 6 of 2009 w.e.f. July 2009 onwards. With the up-gradation, the university has been bestowed with much greater responsibility and accountability along with autonomy to excel and serve the interest of the talented community, industry and the society and to produce professionals in engineering and management field.

## 1. **Capital/Construction Works**

Annual Plan Outlay 2015-16 : ₹3500 Lakh (Capital)

The erstwhile Delhi College of Engineering was shifted to its present campus at Bawana Road in 1996-97. The campus plot has a size of 163.87 acre. Only a part of it was used for the first phase to cater to initial student strength of 3000 at that time. The total built up area is 1,58,840.41 sqm comprising of academic area ( 69,146.03 sqm), hostel area (50,607.40 sqm) and residential area (39,086.98 sqm). The university had added 05 new B. Tech. & 06 new M. Tech. programs in the emerging areas of science and technology from 2009-10 to meet the growing demand of quality manpower for industries. In addition, a school of management was established in DTU to cater for MBA program in the areas of knowledge and innovation and management. Presently, DTU is offering 15 B.Tech, 22 M.Tech, 04 B.Tech (Evening), MBA and Ph.D programmes. The total intake of students have increased from 3000 in 2009 to 8100 at present and likely to go up to 13000 in the next 04 years.

Thus there is a need for expansion of DTU and 2nd phase of construction covering approx. 34454 Sqm. of area has been proposed to be taken up during coming years starting from 2015-16 onwards at an approximate cost of around ₹ 256 Crore. The execution of civil, electrical and horticulture maintenance works shall continue during 2015-16.

## 2. **Modernization of Machinery & Equipments and Modern Computer Centre / Networking Programme**

Annual Plan Outlay 2015-16 : ₹ 800 Lakh

The existing Laboratories required to be modernized to cater to the needs of the students and setting up of new labs especially for new courses are to be initiated by the academic departments. Therefore the major thrust will be on purchase and procurement of latest equipments and tools for different labs at departmental level.

Following activities/ components are being implemented under the scheme:

- i. Purchase of machinery/equipment for labs etc.
- ii. Modernization of existing labs
- iii. Stores and purchase of raw material
- iv. **Computer Centre:** DTU has a well-equipped centralized computer centre having specialized laboratories to provide variety of platforms and computing environment for UG, PG & Research students and faculty in the university.

- v. **DTU Campus wide Network:** The centre is networked through high-end intelligent CISCO switch, and possesses round the clock two leased lines of 6 Mbps (Tata) and 8 Mbps (Airtel). The academic/library/administrative blocks and all the hostels of DTU are interconnected using Wi-Fi with limited number of access points. Recently, permission for networking the Hostels has been released and the work has started.
- vi. **DTU Web-Site:** DTU websites ([www.dce.edu](http://www.dce.edu)) is maintained by the Design & development team comprising of students from different years under the supervision & guidance of the Head, Computer Centre. The Computer Centre shall focus on the following during 2015-16.
  1. To set up local LAN in all the departments of DTU.
  2. Extending the LAN of the departments by a canopy based wireless systems to all departments
  3. To increase the bandwidth of the internet speed.
  4. To expand its functioning through WI-MAX.
  5. Deploying IT based service for the workflow and academic activities and to ensure E-Governance.
  6. **E- Governance in DTU:** E-Governance is tool to enhance administrative efficacy and to transact the academic affairs of the university to provide necessary transparency in the discharge of various functions of the university. It is proposed to develop and install a system of e-governance at DTU.

### 3. **Faculty Development/Student Welfare**

Annual Plan Outlay 2015-16 : ₹ 12.50 Lakh

DTU has focused on quality education, research & innovation that attracts highly skilled and experienced and faculty for its academic departments. Besides teaching, the faculty members have been actively involved in various research and professional activities like member of editorial boards of leading journals. A large chunk of faculty members have also received prestigious awards from the various reputed societies /Govt. organizations and are on the rolls of their advisory boards.

The DTU has taken various initiatives to inculcate research culture among the students & the faculty. It is providing financial support to all who are presently published research papers in National & International conferences in different R&D organization & reputed university in India & abroad.

The university is proposed to establish Centre of innovation at DTU in the year 2015-16 with the support of Delhi State Innovation Council. The university shall also endeavour to establish Industry Sponsored Chaired Professorship in areas of Energy, Software Engineering, Power Electronics, construction Technology & Management & Design Engineering during 2015-16.

The facilities to the students have also been upgraded especially those who are residing in the various hostels. The capacity of the Hostel of all the 17 Hostels have gone up to 1704 (1296 boys+ 408 girls)., Each hostel is now well equipped with all basic facilities like Solar Water Geezers, TV with Cable Connection, Common rooms and provision for all indoor games including reading rooms etc. With a view to ever increasing demand of hostel accommodation, it is now proposed to create additional infrastructure.

#### **4. Book Bank & Library Innovations**

Annual Plan Outlay 2015-16 : ₹ 125 Lakh

The Central library of DTU has a very rich collection of print as well as electronic books and journals satisfying the information needs of the faculty and students.

The University runs a Book Bank intended to assist students, from the economically weaker sections of society, by giving text books on loan to deserving students for the whole academic semester according to the rules framed for the purpose.

Departmental libraries will be strengthened to cater instant needs of text books and necessary reference material for students, research scholars, and staff and faculty members. New departmental libraries are to be established in the upcoming departments.

The following activities have been proposed for 2015-16 to strengthen the library:

- Modernization, up-gradation and Digitization of the library resources and services
- Purchase of printed reference books, text books, E- Journals and furniture etc. for library
- Annual maintenance of computers, servers, software and other hardware including Electronic surveillance systems.
- Purchase of Radio Frequency Identification and Electromagnetic System.

#### **5. Scholarship & Stipends**

Annual Plan Outlay 2015-16 : ₹ 104 Lakh

The University has been making payment towards scholarship/stipend to students pursuing M. Tech. / PhD Programmes at approved rates.

The university has also been granted funding by the Ministry of HRD to tune of ₹12.50 crore from the World Bank under TEQIP-II programme for strengthening

Post Graduation & research at DTU. It has further received funding of ₹6 crore from AICTE towards PG scholarship to the students pursuing various PG programmes in DTU.

## **6. Examination Cell**

Annual Plan Outlay 2015-16 : ₹ 74 Lakh

After the up-gradation of DCE into DTU w.e.f. July 2009 onwards, the University has introduced series of new courses both at the UG and PG level programs resulting into increase of intake from 670 in 2008 to 1631 in 2015-16 for UG & from 162 to 608 for PG courses and 100 seats are available at the Ph.D level. University has started conducting its own end-semester examination along with declaration of results and issuance of mark-sheet to the newly admitted students under DTU. Thus the University is required to create additional infrastructure in terms of space and manpower to carry out the examination related activity without any hindrances.

## **7. Technical Education EDUSAT Network**

Annual Plan Outlay 2015-16 : ₹ 11.50 Lakh

Edusat studio cum class room has also been established with print support of ISRO and Govt. of Delhi, the facility is connected to 51 institutions in the NCT of Delhi. The facility is being currently utilized for transmission of on-line lecture to the connected institutions and for broadcast of recorded expert lectures, seminars and workshops.

## **TEACHING WITH AUDIO-VIDEO AIDS**

There will be two types of teaching facilities in the network, which will include studio (with students-live class room), based teaching facility and virtual classroom based teaching facility.

It is proposed to procure the system for outdoor coverage's, which includes audio and video switcher, character generator and monitoring facilities with various inputs/output format including cameras capable to record in HD (High Definition), and SD (Standard Definition) formats. It is also proposed for classroom studio with complete studio facilities like camera, audio monitoring, video switching and all state of art facilities. It is proposed to create various posts to carry out the activities.

### **Major Component:**

- Development of infrastructure and purchase of tools & equipments for EDUSAT & Studio and Knowledge Park.
- Payment to outsource staff

## **8. Direction & Administration**

Annual Plan Outlay 2015-16 : ₹ 2423 Lakh

The expenditure under the scheme is incurred on salary of teaching and non-teaching staff, for maintaining the existing infrastructure and also to procure/develop additional infrastructure procured additional infrastructure coupled with amenities on various administrative activities such as security, office stationery & store, office equipments and furniture including advertisement & publicity etc.

### **Major Component**

1. Salary of Teaching Staff
2. Salary of Non-Teaching staff etc.
3. Administrative Expenses

## **9. Technical Education Quality Improvement Programme (TEQIP-II) (CSS)**

Approved Outlay 2015-16 : ₹ 180 Lakh - Central Share  
₹ 150 Lakh - State Share

Government of India launched the scheme “Technical Education Quality Improvement Programme (TEQIP)” as a long term programme to be implemented in three phases. The first phase of TEQIP implemented in March, 2003 and ended in March, 2009. Presently, the second phase of the programme is named Project TEQIP-II. The objectives of the project are:-

- Strengthening institutions to produce high quality engineers for better employability.
- Scaling-up PG education and Demand Driven Research & Development and Innovation.
- Establishing Centres of Excellence for focused applicable research.
- Training of faculty for effective teaching.
- Enhancing institutional and System Management effectiveness.

The Ministry of HRD, Govt. of India has approved the proposal of Delhi Technological University (DTU) for participation under the Programme “Technical Education Quality Improvement Programme (TEQIP)-II”.

Memorandum of Understanding (MoU) has been signed between the Ministry of Human Resource Development (MHRD), Govt. of India (First Party) and Department of Training and Technical Education, Govt. of NCT of Delhi (Second Party) on 28.06.2013 and the Memorandum of Understanding (MoU) has been signed between State of Govt. of NCT of Delhi (First Party) and Delhi Technological University (DTU) on 30.07.2013, The salient features of the MoU signed between

MHRD , Govt. of India and Department of Training and Technical Education , Govt. of NCT of Delhi are as under :-

- I. The Second Party (GNCTD) to establish State Project Facilitation Unit (SPFU) in the Department.
- II. Government of India and Govt. of NCT of Delhi will jointly share expenditure as approved by the National Steering Committee for the project in the ratio of 75:25.
- III. GOI will release grant to GNCTD in installments during each project year in a timely manner against anticipated expenditure for implementation of eligible activities, provided State Govt releases its matching share. GNCTD needs to make 100 percent provision in its budget and will certify that this has been done when making a request for the release of each installment of Central Share.
- IV. MHRD, GOI will provide all necessary support to GNCTD through National Project Implementation Unit.
- V. GNCTD will mainly be responsible for implementing and monitoring the project with the assistance of the SPFU.

The Department of Training and Technical Education, Govt. of NCT of Delhi has set up State Project Facilitation Unit (SPFU) vide letter dated 16.08.2014.

During the year 2013-14, Ministry of HRD has allocated total fund of ₹ 616.00 lakh for the Programmes on the following sharing basis:-

(₹ In Lakh)

Particular	Allocated total amount released	Share of Amount	
		Centre Share	State Share
Delhi Technological University	600.00	450.00	150.00
SPFU of DTTE	16.00	12.00	4.00
Total	616.00	462.00	154.00

The Ministry of HRD has already released its share of ₹462.00 Lakh (₹450 Lakh for DTU and ₹12.00 Lakh for SPFU as 1<sup>st</sup> instalment and Govt. of NCT of Delhi has also released its share of ₹154.00 lakh (₹150.00 Lakh for DTU and ₹ 4.00 Lakh for SPFU) during 2013-14 under this programme.

### **C. NETAJI SUBHAS INSTITUTE OF TECHNOLOGY**

Annual Plan Outlay 2015-16 : ₹ 5000 Lakh

Netaji Subhash Institute of Technology was established in July 1983. Formerly it was known as Delhi Institute of Technology (DIT). The institute was started as a government college and was later on converted into an administratively autonomous institution in 1986 under Govt. of NCT of Delhi. The institute is affiliated to the Delhi University and provides Hi-Tech courses in the emerging areas of technology at UG,

PG and Ph.D levels.

The other major objectives of institute are as follows:

- To set up Science & Technology Park.
- To undertake industrial and R&D consultancies.
- To lend support in identifying and starting small scale industry in an around the institute through entrepreneurship programmes.
- To undertake Technology Transfer Programme.
- To establish linkage between institute, industries, R&D Organizations and other Universities/ Institutes of higher technical education for teaching and research programmes in India/ Abroad.

## **PROPOSED ACTIVITIES**

### **NEW B.Tech/M.Tech Programmes**

- (i) B. Tech Programme in Mechanical Engineering
- (ii) M. Tech in Mechatronic Systems
- (iii) M. Tech in Industrial Electronics & Automation
- (iv) M. Tech. in Bio-Medical Engineering
- (v) M. Tech in Bio-formatics.
- (vi) M. Tech in Production and Automation Engg.
- (vii) M. Tech in Quality Improvement Programme

## **1. LIBRARY, FACULTY DEVELOPMENT & STUDENT WELFARE**

Annual Plan Outlay 2015-16 : ₹ 2355 Lakh

### **(a) Strengthening of NSIT**

- Strengthening and improvement of UG,PG and Ph.D programmes, introduction of new courses at various levels and increase of intake in various programs as per the requirements and needs of NCT of Delhi
- To facilitate academic interaction in specialized areas by inviting faculty members drawn from industry, R & D organizations, Govt. departments and other reputed academic institutes etc.
