December 2021

Message from
ARVIND KEJRIWAL
Chief Minister of Delhi

I am happy to present the document on "Welfare Schemes for Weaker Section being implemented in NCT of Delhi". Delhi Government is greatly concerned with the social and economic welfare of weaker and marginal section of the society. A number of welfare schemes to uplift the living standard of this section have been formulated and implemented by our Government. Covid pandemic had a disastrous impact on the citizens of Delhi for which our Government had started a new welfare scheme "Mukhyamantri Covid-19 Pariwar Aarthik Sahayata Yojana" for helping such families who have lost their members due to Covid pandemic.

This report is an excellent compilation and will be of great help to the various categories of people so that they can be aware about various welfare schemes with their eligibility criteria. The effort is appreciable considering that the report provides a quick view of different department wise welfare schemes.

Various Departments of GNCTD, through their different programmes of educational, economic and social development, aims at the empowerment of the disadvantaged and marginalized sections of the society namely, Scheduled Castes, Scheduled Tribes, Other Backward Classes (OBCs), Minorities, Senior Citizens etc. These programs enable them to lead productive, safe and dignified lives.

Usually people of weaker and marginal section are not aware of all these welfare schemes. Hence, I hope this document will be very useful for them to get the knowledge about various welfare schemes.

I wish to convey my sincere appreciation to officers of the concerned Departments of the Government of Delhi engaged in welfare of persons who have contributed extensively by providing their valuable suggestions in bringing out this report.

I appreciate the work done by Planning Department in this laudable endeavor.

ARVIND KEJRIWAL
Chief Minister,
Delhi

Message from
MANISH SISODIA
Deputy Chief Minister of Delhi

It is my immense pleasure that the document on "Welfare Schemes for Weaker Section being implemented in NCT of Delhi" has been compiled by the Planning Department, GNCTD which has done a massive exercise and come out with this report identifying the various welfare schemes being implemented by various departments of GNCTD.

Development of any nation is measured by the living standards of its citizens. Hence, our Government gives priority in the policies to the weaker and marginal group and enable them to live a dignified life. Our Government has taken significant decisions for the poor and marginalized section of the society so that they can lead a respectable life.

Delhi Government has implemented several such schemes/programmes for the upliftment of this section which have a direct positive impact on their life and dignity. The current report is an attempt to compile the information on such welfare schemes being implemented in Delhi.

Government of Delhi reiterates its commitment to the objective of maximizing the welfare of the weaker and marginal sections of the society.

I would also like to place on record, appreciation of the efforts of the Officers and staff, who worked hard to compile this document. I acknowledge the painstaking work done by the team of Planning Department.

We hope that we are successful in providing the information in a simplified manner and fervently hope that people will be benefitted by this document for availing the benefit under Government Schemes.

MANISH SISODIA
Deputy Chief Minister
Delhi

Message from
VIJAY DEV
Chief Secretary of NCT of Delhi

Government of NCT of Delhi is implementing many welfare schemes for the benefit of weaker and marginalized sections of the society. These benefits include scholarships, financial assistance to disabled persons, senior citizens, widows, women in distress, etc.

Planning Department has brought out the report "Welfare Schemes for Weaker Section being implemented in NCT of Delhi" to ensure dissemination of timely and correct information to the general public so that the citizens are aware of these schemes and are able to avail the benefits they are entitled to.

I also convey my compliments to the Department for putting this compilation together.

Chief Secretary
Government of NCT of Delhi

Message from
DR. ASHISH CHANDRA VERMA
Principal Secretary (Planning), Delhi

The report on "Welfare Schemes for Weaker Section being implemented in NCT of Delhi" compiled by Monitoring & Evaluation Unit, Planning Department on the basis of data provided by different Departments of GNCTD. Govt. of NCT of Delhi has a large number of welfare programmes/schemes to cater to the need/upliftment of weaker and marginal sections of the society. The document presents an overview of welfare schemes intended to give benefits in cash or kind to poor/ weaker and marginal sections viz. Scheduled Castes, Scheduled Tribes, Others Backward Classes and Minorities, differently-abled etc. including women empowerment. The last report on Welfare Schemes was published in July, 2013 by Planning Department.

The eligibility criteria / norm for availing benefit quantum of financial assistance or benefits given, either in cash or in kind under these welfare schemes /programmes, expenditure incurred in 2020-21 and Budget estimate for 2021-22 etc. are presented in the report.

The report has been prepared by M&E unit of this Department under the guidance of Sh. Ashok Kumar, Director, Sh. D.B. Gupta, Joint Director, Sh. Premananda Prusty, Joint Director, Sh. Manish Dev, Deputy Director. The special efforts put in by Sector Officers/Officials of Planning Department are also appreciable. I appreciate to the team of M&E Unit of Planning Department who compiled such useful document.

I am also grateful to the Departments of GNCTD for providing requisite information to Planning Department.

DR. ASHISH CHANDRA VERMA
Principal Secretary (Planning)
Delhi

I INTRODUCTION

Delhi, capital city of India, has a population of around 1.67 crore as per Census 2011 with an area of 1,483 KM². The projected population during 2021 is around 2.00 crores. Delhi has a very sound economy which is mostly led by the service sector (around 83% of GSVA coming from service sector activities), grew at an average growth rate of 5.28% during last 06 years at constant price. In terms of per capita income, Delhi figured in one of the top three positions in the country alongwith Goa and Sikkim with per capita income of ₹ 3.54 lakh in 2020-21, which is about three times of national per capita income. The per capita expenditure of Government of NCT of Delhi through budgetary transactions has constantly been increasing from ₹18844 in 2015-16 to ₹ 25506 in 2020-21 with focus on social welfare and social security schemes. Priority is on continuous improvement of public services delivery in the field of education and healthcare and increasing the purchasing power of targeted beneficiaries through subsidies on water and electricity, social welfare and social security measures.

It is one of the top priority of Government of NCT of Delhi that all its citizens are treated equally and equitably in sharing the benefit of high growth and development process through inclusive development on the key principle : **"No one is left behind"**. Government has been thriving consistently in this direction to make the progress sufficiently widespread for the majority of population in the City State so that it can reach out to the last person standing in the stair among the marginal and under privileged sections of the society. State is also mandated by the Constitution to give Social Security as per the Directive Principles of State Policy and the State shall, within the limits of its economic capacity and development, is to make effective provision for securing the right to work, to education and to public assistance to address the issues pertains to unemployment, old age, sickness, disablement etc. Specifically, Article 46 of the Constitution states that "The State shall promote with special care the educational and economic interests of the weaker sections of the people, and, in particular, of the Scheduled Castes and the Scheduled Tribes, and shall protect them from social injustice and all forms of exploitation." whereas the Article 47 emphasize that "The State shall regard the raising of the level of nutrition and the standard of living of its people and the improvement of public health as among its primary duties and, in particular, the State shall endeavour to bring about prohibition of the consumption except for medicinal purposes of intoxicating drinks and of drugs which are injurious to health." The ultimate objective of the Government is to provide social welfare and ensure well being of citizens.

Govt. of NCT of Delhi has a large number of welfare programmes/schemes to cater to the need of weaker and marginal sections of the society. There are around 71 Schemes implemented by the Departments of GNCTD/Agencies (including 13 Centrally Sponsored Schemes) with the total Budget allocation of Rs. 9087.69 Crore for specific targeted groups/beneficiaries in different fields covering education, health, social security and welfare measures. The eligibility criteria / norm for availing benefit quantum of financial assistance or benefits given, either in cash or in kind under these welfare schemes /programmes, expenditure incurred in 2020-21 and Budget estimate for 2021-22 etc. are presented in the report. Subsidized power and water, coupled with increased state spending on public services such as health and education has proved to be really beneficial in improving economic and social status of the people in Delhi.

The document presents an overview of all welfare schemes intended to give benefits in cash or kind to poor/weaker and marginal sections viz. Scheduled Castes, Scheduled Tribes and Minorities, differently-abled etc. including women empowerment. In some schemes there is decline in number of beneficiaries in 2020-21 due to COVID 19 pandemic while on the other hand, it is worthwhile to mention that some schemes have supported the needy families in the hard time of COVID-19 pandemic, besides several other one time measures.

Most of the schemes compiled in this document are for the welfare of weaker sections but some schemes are available for all the citizens of Delhi. The schemes like water & electricity subsidy are mainly targeted towards weaker sections but can also be availed by general citizens of Delhi. The major beneficiaries of such schemes are from weaker section of society.
